

Price Increase

Good afternoon, Detex Reps,

Please be advised that Detex will implement a price increase on select products effective August 1, 2026.

This increase is limited only to the specific product categories listed below:

Product	Price Increase
V40 – Mechanical	3.5%
V40 – Electrical	70%
ECL-230D	5.5%
ECL-230X	70%

No other products are included in this price increase currently.

Please begin communicating this update to your customers so they have adequate notice prior to the August 1 effective date. Any applicable orders placed on or after August 1, 2026, will be subject to the new pricing.

We encourage you to review any active opportunities, project quotes, or pending customer discussions involving these products and make sure customers are aware of the change.

 EN ^

If you have any questions – I will be happy to assist you.

Thank you for your continued support and for helping us communicate this clearly and professionally to the market.

Sam
