Re: ASSA ABLOY Access & Egress Hardware and Accessories & Glass Solutions Brands Price Adjustment
– **US ONLY**

Thank you for your continued partnership and trust in ASSA ABLOY. We truly value our relationship with you and your teams, and we remain committed to supporting your business through dependable products, responsive service, and ongoing investment in innovation and quality.

As we all continue to navigate a dynamic environment of inflationary costs, we will be implementing a modest price adjustment for select brands to offset these costs.

Effective July 13, 2026, the following price adjustments will take place:

Access & Egress Hardware Group

- Corbin Russwin®, Norton Rixson®, and SARGENT® will implement a 2% price adjustment.

Accessories & Glass Solutions Group

- Pemko®, Rockwood® and ASSA ABLOY Glass Solutions will implement a 2% price adjustment.
- McKinney®, Pemko®, Rockwood® and ASSA ABLOY Glass Solutions are incorporating existing price adjustments (effective since May 19, 2025) into the July 13, 2026 price books.

Freight Programs

- FlashShip® and Accessories brands (including WebShop) prepaid freight minimums will be adjusted to \$2,500 in the Continental U.S. and \$3,500 for Hawaii and Alaska.

Existing quotation policies remain unchanged. Quotes issued prior to July 13th will be honored through their expiration dates. Upon expiration, all new or revised quotes will reflect the updated pricing.

New price book PDFs will be available on Monday, June 15th, on ASSA ABLOY Connect (under Resource Library) and the brand websites.

If you have questions or would like to discuss this adjustment in more detail, your ASSA ABLOY sales representative is always available to assist. We also encourage you and your teams to stay connected by subscribing to our communications ([click here to subscribe](#)).

We sincerely appreciate your continued partnership and your confidence in ASSA ABLOY.

Sincerely,

Doug Thompson
