

Dear Partner,

We hope you are doing well.

We are reaching out to inform you about upcoming adjustments to our pricing and delivery fees.

Due to increased operational and supply-chain costs, we will be implementing a **12.5% price increase effective March 1**. This update will help us maintain the quality, reliability, and service standards you expect from us.

In addition, we will be adjusting our delivery fee to reflect these rising costs. The updated **delivery fee of \$50 will take effect February 19**.

We remain committed to providing the highest level of service and value, and we appreciate your understanding and continued partnership. If you have any questions or would like to discuss the changes further, please feel free to reach out.

Thank you for your ongoing support.

Warm regards,

Warm Regards,  
Your DoorBird Team
