FIRST LIGHT NEWS

January 8, 2026

Dear Customer,

We continue to experience higher costs in several key areas. As a result, NGP will implement a price update **effective February 2, 2026**. Select products will reflect an average increase of 4%, while others will remain unchanged.

Please use the link provided below to review the revised Price List. If you'd like us to mail you a printed book, use the second link and provide all necessary information. We'll mail these out once the new books have been printed.

PLEASE NOTE: For all existing quotes, we will honor the quoted pricing through the quote's expiration date.

Thank you for your continued partnership.
